Helmsman, Wilderness Survival, or Trailmaster are cost of camp + \$85.00.

Helmsman

This is a weeklong, all day advanced sailing and waterfront-based program for older scouts that share both experience and/or a strong interest towards sailing. It is recommended, although not required that participants earn the Small Boat Sailing merit badge prior to taking on this challenge. This is the ultimate sailing experience whereby scouts will be exposed to a variety of sailing conditions, various types of sail boats (i.e.: hobie-cat), learn about the history of sailing and the true art of Seamanship. Scouts will have the unique opportunity to sail on a 25' sailboat around Cayuga Lake. During the week there will be workshops in racing, navigation, and boat maintenance. Enrollment is limited to 12 participants per week and applicants are accepted on a first come, first serve basis.

Who: First Class Scouts at least 14 years age or older

When: Weeks 1 – 5

Where: Camp Barton

Wilderness Survival Experience

This exciting experience is a rapidly growing program at Camp Tuscarora. Venturing Crews should have some camping background or First Class and higher Boy Scouts, 13 to 17 years of age, receive a week-long experience in wilderness survival skills. Workshop topics will include natural shelters, safe water, fire by friction, awareness skills, hunting, trapping, stalking and movement, primitive tools, wild edible plants, cooking, and much more. Also included, for the Boy Scouts, are the following Merit Badges: Wilderness Survival, Environmental Science, Indian Lore, Cooking, and Mammal Study. Enrollment is limited to 8 participants per week, and applicants are accepted on a first come, first serve basis. This program was featured in Boy's Life Magazine in 2004.

Our experienced camp staff has a top of the line program planned for those who are up to the challenge. The itinerary can be customized to meet the needs of your Troop, Venture Patrol or Venture Crew.
